Key Terms & Service Standards

Key Terms and Concepts to Remember

01

Cancellation: Termination of an insurance policy by the company or insured before the expiration date.

02

Expiration Date: Refers to the date on which an insurance policy expires.

03

Lost Policy Release (LPR): A statement signed by the named insured releasing the insurer from all liability under a lost or mislaid contract of insurance.

04

Flat: A policy is being cancelled on its effective date and a refund of the full premium will be returned to the insured.

05

Pro-Rata: A policy is being cancelled during the policy period and a refund of any unearned premiums will be returned to the insured proportional to the amount of time remaining on the policy.

06

Short: A policy is being cancelled during the policy period and a refund of any unearned premiums will be returned to the insured, and the carrier will retain some minimum premium regardless of the time remaining on the policy period.

SERVICE STANDARDS

Insured cancellation requests must be written.

Request must include cancellation date, signature and signature date.

ACORD-35 is standard cancellation form, exceptions apply.

Final cancellation must be confirmed to the insured in writing by HUB.

Servicers must review the impact of cancellations on Proofs of Insurance.

Regional requirements may apply.

The Final Notice of Cancellation/ Cancellation Endorsement is attached to the Policy level in Epic.

Select the Mark as an Important Policy Document checkbox.

All correspondence and supporting documents are attached to the Activity level.

Service standards are the legal expectations and requirements that dictate aspects of the servicing relationship we establish with our clients.

Examples Why a Client May Request a Cancellation

**Can anyone give us a reason
why an insured client may
choose to cancel insurance
coverage?**
